Dear Friends,

As I write my letter for this weekend's bulletin, it is Monday, February 22nd and we are celebrating the Feast of the Chair of Peter. I would like to share with you this reflection I came across. I think it is worth reading.

MUSICAL CHAIRS AT 32,000 FEET

"To the elders among you I, a fellow elder, a witness of Christ's sufferings and sharer in the glory that is to be revealed, make this appeal." - 1 Peter 5:1

A chair is a symbol of authority. That's why we call the head of a meeting the chairperson and why the Church has named February 22nd the Feast of "The Chair of Peter." Catholics believe Peter and his successors are called by the Spirit to "chair the meeting of God's people" (Mt.16:18). We also believe that, if we do things God's way, according to His order, we will see the glory and the power of God. If we listen to Peter's successor, the pope, and let him lead us, we will attack the gates of hell and the devil's strongholds will not prevail against us (Mt. 16:18).

When we are under authority through our obedience to God's instrument, the pope, *we are in authority*. Then whatever the Church shall "declare bound on earth shall be bound in heaven;" whatever the Church shall "declare loosed on earth shall be loosed in heaven" (Mt. 16:19).

It's a matter of sitting in the right chair. For example, when the pilot, co-pilot, navigator, flight attendants, and passengers are sitting in the right chairs, the airplane will fly effectively and safely. However, if everyone played musical chairs, the plane would crash. Let's keep our seat belts fastened and stay in our chairs. Let's joyfully submit to the authority of the pope.

Prayer: Father, thank you for giving us parents, pastors, and popes. Thank you for sending us leaders into our lives. May I listen to You in them.

Blessings,

Fr. Dave

P.S. Have a great Lent.

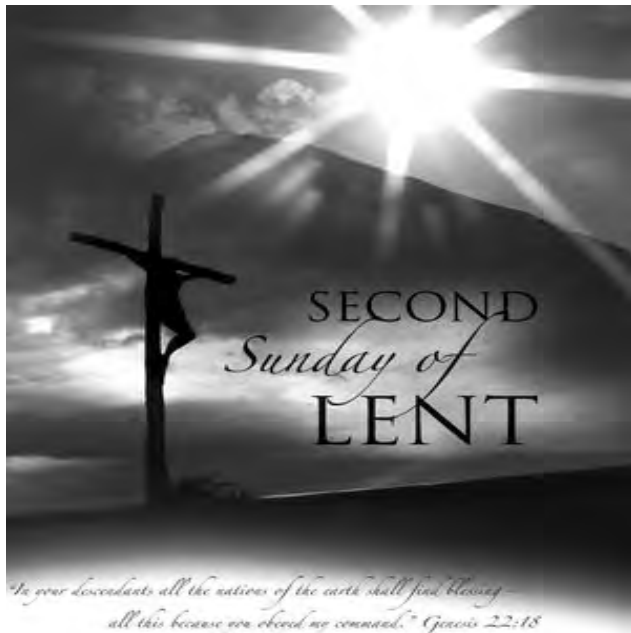

What an awesome Lenten Mission.

Enjoy our Lenten Fish Fry.

**February 28, 2010
 Second Sunday of Lent**

In the Transfiguration, Jesus changed His appearance in front of the apostles and then a mysterious cloud came over them. The apostles "were terrified as they entered the cloud." Every one of us is a constantly-unfolding mystery. When we enter into a relationship with another, we can expect change and we should expect it to be unsettling, for it might require us also to change.
