## *Automatic Offertory Deductions*

In this day and age of online bill paying and electronic banking, we have had numerous requests to allow parishioners to automatically deduct their offering from their bank account. I am please to announce that we have set up a program with our bank that will make this possible.

For those who wish to enter, all you need to do is complete the attached form on the back of this letter and return it to the parish office. Since we are charged a nominal fee for each transaction, the automatic withdraw will be made once a month instead of weekly. The date of the withdraw will be the 15th of each month.

This program will also save us money because we will not need to provide the offertory envelopes to those who sign up. The church pays for the printing and mailing of those envelopes so the savings is like an additional contribution. There will be extra envelopes in the ushers' room for those who wish to use them for the special collections. Another benefit will be the reduction of the workload on our great group of volunteer collection counters.

Remember that this is a VOLUNTARY program. You do not need to enroll if you do not want to.

If you have any questions, please contact Dick Lang through the parish office (330) 896-2345.

Thank you.
